

Persian Teacher Training Course

Overview:

CINVU Persian Language and Culture Department organizes the Persian Language Teacher Training course for non-Persian speakers. During this workshop, the participants will get to know the theories and approaches of language teaching, professional ethics of teaching and innovative methods of teaching Persian language. This course is delivered with an online and offline format, and participants who successfully complete the course will be awarded an international certificate with a verification code.

Course Modules:

- **Professional Codes of Ethics for Teachers:**

Explore the ethical foundations that guide language educators, emphasizing integrity, respect, and professionalism.

- **Methodology in Language Teaching:**

Uncover diverse teaching methodologies to enhance language instruction, fostering engaging and effective learning environments.

- **Approaches in Language Teaching:**

Examine various approaches to language instruction, understanding their principles and applications in the classroom.

- **Methods of Teaching Receptive Skills:**

Develop strategies for teaching listening and reading skills, promoting comprehension and language proficiency.

- **Methods of Teaching Productive Skills:**

Enhance your ability to teach speaking and writing skills, focusing on communication and expression in the target language.

- **Methods of teaching Speaking Skill and Vocabulary**

Various and practical methods of teaching speaking skill and vocabulary skills with a focus on new educational theories and approaches.

- **Error analysis and CEFR:**

Error analysis and correction of linguistic errors using the CEFR

Persian Teacher Training Course

• Class Management:

Acquire effective classroom management techniques to create a positive and conducive learning environment.

Course details

This course is totally practical and for each participant, an experienced teacher is selected as a mentor and will continue with them until the end of the course. After learning the way of teaching language skills, participants will write a lesson plan and get feedback from professors, and then implement their lesson plan in teaching practice sessions. Up to a week after the end of the course, the mentors will give feedback to the lesson plans and answer the [arrticipants' questions.

- Online and offline training sessions
- Writing lesson plans
- Teaching practice
- Feedback by mentors

Course duration

• This course includes fifteen modules and teaching practice sessions (equivalent to 120 hours) which are held online and offline.

Course validity

- An International Certificate from CINVU with a Verification Code
- A National Certificate from DaneshGostar with a Verification Code
- An International Teacher Code
- A Recommendation Letter for International Institutes
